★ NEW skincare range Oskia has been winning fans with its nutrient-rich formulations. Designed to nourish skin, the natural range also works to fight the first signs of ageing. Our favourite in the collection is Get Up & Glow, £64.50, a fantastic serum that not only leaves skin luminous but also gives an instant lifting and smoothing effect.

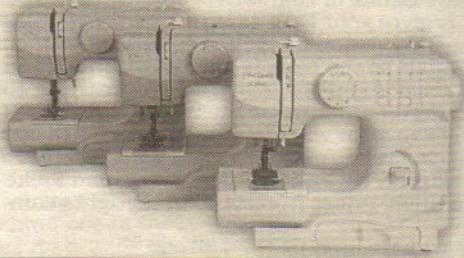

★ THIS year supporting Children In Need is as simple as painting your nails. Buy a limited-edition Jessica nail varnish, £8.95, from the company's Bear In Mind collection and £2 from each sale will be donated to the appeal. Choose from cherry red, midnight blue, hot pink and chocolate brown and give yourself a manicure while watching the show tomorrow night on BBC1.
